

AMENDMENTS TO THE DRAWINGS

Please replace Figure 1 with the replacement sheet containing amended Figure 1 and Figure 2 with the replacement sheet containing amended Figure 2. No new matter has been added, the amendments purely indicate the various elements of the device.

Please, amend the application by adding Figures 3, 4, 5, and 6. The new figures do not add any new matter to the application. Figure 3 is a schematic drawing of the device as it is shown in the photographs of Figures 1 and 2. Figure 3 is added to more clearly show the invention. Figure 4 shows a capped bottle containing the one time medication portion. Figure 5 shows a capped tube containing the one time medication portion. Figure 6 shows how the medication is meant to be taken according to the present invention.
